#### Given 4H Enrollment, Completion Analysis

An analysis of enrollments and completions in 4H club work in the state in 1937 was recently furnished the counties by Harry E. Rilling, state club leader, according to a news item from County Agent W. H. Gray. Because it is interesting to see ourselves as others see us, a few figures from the analysis are presented.

Dickey county was ninth in the state in individual members completing a project. 215 of the 286 enrolled carried their work through to completion. This gave the county a completion record of only 75.1% which is about average. The completions varied from 43% to 100% depending on many factors such as climatic conditions and initial enrollment. The county completing 100% had only 10 club members while the county which had 43% was in the extreme drouth area.

Reports from the state office indicate that the enrollment in Dickey county in 1938 will probably be below that of 1937. In 1937 Dickey county had 22 clubs with 286 members. To date there are reported 16 clubs with 190 members.

# SYPHILIS LECTURE WILL BE REPEATED

Ellendale Community Club And N-I Arrange For Dr. White's Talks Here

Dr. White of Valley City, a member of the state board of health will give his lecture on Syphilis and show moving pictures of the disease and its results at the N-I on Tuesday evening, Mar. 8, arrangements for which were made at the regular meeting of the Ellendale community club held at St. Helena's hall Monday evening.

Dr. White gave a lecture and showed the films to an audience in the court house recently and has been requested by the N-I to repeat his talk on Wednesday morning, Mar. 9. Learning that he was to be in the city over Tuesday night and realizing that many will not be able to attend his lecture on Wednesday morning, the Club has asked him to give this talk on Tuesday evening. No admission will be charged and every citizen of Ellendale is urged to attend.

Using as his topic "Communicable Diseases," Dr. Samuel Miller who was Monday evening's speaker, stressed the danger of these diseases and urged members to acquaint themselves with the symptims of the diseases and to join in the widespread effort to combat them. He announced that he had invited Dr. White to Ellendale for the above talks. T. L. Brouillard was chairman of the program.

In the absence of President G. M. Leffingwell, J. R. Crowley, vice-chairman presided at the meeting, at which Emil Tedin, instructor of

# PROMINENT CITY RESIDENT TAKEN

A. E. Dunphy, Well Known Hardware Merchant And Former N-I Faculty Member Succumbs

A. E. Dunphy, outstanding businessman and distinguished pioneer member of the faculty of the State Normal and Industrial school of Ellendale, died at his home in this city early Monday afternoon, a victim of cerebral hemorrhage. His illness extended only over a period of approximately eight weeks. During the latter part of December he suffered slight attacks of his affliction, but apparently recovered and resumed his work at the store.

Jan. 6 he was again stricken and when his condition became alarming he was taken to St. Luke's hospital in Aberdeen, where he was cared for until Jan. 16 when he returned to his home. Since that time he has been confined almost entirely to his bed. The end came peacefully at 2:15 o'clock and while it had been expected for several days, his death nevertheless seemed sudden.

Albert Edward Dunphy, 66, son of John and Martha Ann Dunphy, was born at Chippewa Falls, Wis., Sept. 6, 1871. Here and at Eau Claire. 6, 1871. Here and at the Wis., where he moved with his parents at the age of ten years, he received his early education. Graduating from the Eau Claire school, he attended the University of Wisconsin at Madison, where he received special training arts and engineering in which he specialized in later years. Upon completion of his work at the university, he taught for 18 months in the Wisconsin state reformatory at Waukesha. Part of his early teaching experience he gained while teaching in the rural vicinity of his home after having completed high school.

A man experienced in many phases of school work, he came to Ellendale in 1899 to become the first manual training instructor at the State Normal and Industrial school, then known as the State Manual Training school. This position he retained for 16 years, assuming the responsibility of acting president during the year 1911-12 while Pres. W. M. Kern was in Europe.

His ability as an educator was recognized in 1914 when he was selected by the United States commissioner of education to accompany a group of 25 nationally known educators to Europe to study vocational training in the schools in Germany. He spent three months in Munich and it was while there that Gov. Hanna of North Dakota requested that he represent the state of North Dakota at the unveiling of the statue of Lincoln in Norway. During the summer months, while a member of the state school faculty he taught at several summer school sessions at the Northern Normal Teachers' col-

lege at Aberdeen, then known as the Northern Normal Industrial school.

In 1915 he left the teaching field and purchased an interest in the Welcher Hardware Co., thereafter styled the Weldun Co. until 1919, when a brother, W. L. Dunphy purchased Mr. Welcher's interest. excellent firm has since been known as Dunphy Co., in which business he was actively engaged at the time of his death.

In the year 1916, on June 26, he is charg- was united in marriage to Miss Jessie Howell at Frederick, S. D., and to this union was born one son, John Bruce, who with his mother, survives, together with one brother, W. L. Dunphy of this city and two sisters, Mrs. L. M. Tolles of Austin, a cordial Minn., and Mrs. Ira Kingsland of Chippewa Falls, Wis. The deceased was the youngest of a family of be held 11 children.

Early in life he became a member ssociation of the Baptist church and for several years directed the choir in that church at Eau Claire. The first gram was glee clubs at the N-I were organized under his direction and he carid Wash- ried on this work in the school until a music department was added. Ever a valuable asset to any musical organization or choir of the city, he graciously assisted when asked to do so and his well trained voice lent no little support.

> He was a splendid type of busicitizen, neighbor nessman, friend, and his passing is sincerely mourned.

> Funeral services will be held from the Methodist church this afternoon at 2 o'clock, with Rev. Galen Onstad, rector of the Episcopal church officiating. Interment will be made in the Ellendale cemetery where services will be in charge of the Masons, of which he was a member.

Pallbearers will be Guy Lynde,

J. R. Crowley, C. E. Zurbrick, F. E. Randall, Guy Shufelt and Sidney Ortner. As a mark of respect for their associate, the business places will close at 1:45 and remain closed until after the services.

#### WASHINGTON NEWS LETTER

(Continued from page 4) has a stormy pathway, yet it may be accepted with Presidential back--0-

While the social season is in full swing, the conversations in drawing rooms and clubs here do not always deal with frothy subjects. Instead the presence of diplomats and solons sets tongues in motion over such vital policies as naval armament and our international "understandings;" the effect of a White House stamp of approval for legislators seeking re-election on party solidarity; the outcome of tempers rubbed raw by the pending tax revision; the effects of the feud between Secretary of the Interior Ickes and a faction of far western senators; and gossip as to Jimmy Roosevelts place in the political picture under present White House grooming.
